SENIORS

SENIOR CLASS WILL

We, the senior class of 1940, being of sound mind and sound body, thinking of the dark and gloomy days coming to Pleasant Lake High School due to our graduation and to our departure, do upon this eleventh day of March 1940 set our hand upon this paper and swear to the eternal God above that this, our last will and testament, is made entirely of our own free will.

I, Marguerite Anderson, will my remarkable grades to Jr. Gorrell. It is my wish and desire that he uses this ability in his senior year.

I, Marietta Anstett, will my shyness to Margaret Thompson. It has always seemed to me that she needed it.

I, Harvey Carper, will my power to talk to Paul McAlpin. With this persuasive power he also will be able to have the girls meet him behind the town hall.

I, John Henry Clark, will my ability to wreck cars to Bob Fuller. I do this because I know that Bob's father runs a garage. And as for my attraction of the girls I leave it to Paul Whysong.

I, Shirley Collins, will my ability to chew gum in typing class to Jane Ann Libey since Mr. Thompson has already had practice in asking her to spit hers out.

I, Thelma Cook, will my ability to agree with the teachers to my sister, Beverly. She will need it before she has finished high school.

I, Mildred Erwin, will my ability to skip school to Mary Louise Lemmon. I feel this necessary because Mary Louise is of the fragile type.

I, Cleo Favourite, will my hair ribbons to Mary Ellen Lyons and hope she will entangle Mack Van Auken in them.

I, Winifred Fee, will my ability to giggle to Audrey Tritch. I know this will please all of the teachers. To Albert Olson I leave my musical ability.

I, Richard Fuller, will my school spirit to Hamilton High School. My basketball playing ability I will to Max Ferris.

I, Dale Gramling, will my stubborn hair to Paul Beatty. It is my last request that he keep it watered better than I.

I, Glenna Hill, will my long fingernails to Marjorie Hawes and I hope that she will make good use of them when she begins to have dates.

I, Louise Imhoff, will my curls to Betty Coon because I

1940

know that between her and her sister they will take good care of them.

I, Robert Kelley, will my wonderful physique to Wilbur Wilson. I know if he expects to become a basketball star he will need it.

I, Marilyn Lepley, will my habit of chasing boys to Winitred Lepley. I think this does seem quite Unnecessary because Winki has already been doing it.

I, Junior Libey, will my beautiful red tresses to Ira Parks because I know that they will match the freckles on his face.

I, Roland Light, will my love for a certain freshman girl to the freshmen boys. They may divide it as they see fit.

I, Janette Matson, will my smallness to Roberta Lockhart. With this asset she will be able to get her man.

I, Agnes Meek, will my blond hair to my sister Beatrice. I am sure this will make her disposition more agreeable.

I, Richard Miller, will my sack of peanuts to Miss Ronk. I do hope that she will share them with Mr. Bohr.

I, George Myers, will my love for Shirley to Paul Beatty. I hope you will be able to quiet her down a little and also teach her a little manners.

I, Verlin Roberts, will my noise making powers to Max Deets. Since Max never gets into trouble I think it would be funny to see him have some.

I, Roberta Smathers, will my ability to get around the teachers with my quiet ways and nice smiles to Ruth Tinstman. I'm sure she will make good use of them.

I, Richard Straw, will my dark eyes and curly hair to Carl Beard. I warn him though that he will have to be beware of a blond girl.

I, Dean Wolf, will my English career to Dean Colbart in the hope that he will make better use of it than I have.

I, Maxine Wood, will my shortness and chubbiness to Phyllis Zimmer. And as for my knowledge of Latin I will this to Wilbur Erwin.

In parting words we, the senior class of 1940, will and bequeath to the teaching corpse of Pleasant Lake High School a lasting and refreshing memory of the class of 1940. May they think in future years that we, of 1940, were only little insignificant atoms apart but together we were a cloud of dust.

SENIOR CLASS PROPHECY

Lately I have been troubled with dreams, but as long as they proved to be interesting and entertaining I don't mind them at all. In fact, I rather enjoy them. Last night, after I had eaten a very hasty dinner and had gone to bed without giving it half a chance to digest. I immediately found myself dreaming a dream of tomorrow about the class of 1940. At first everything was a blur, but it seemed as though I was traveling east in a very luxurious car of great dimensions. Gradually things became clear and I could distinguish different people as I met them.

At first it seemed as though I were being ushered into a large office, it was the office of the Captain of West Point, and you can easily imagine my surprise at being introduced to Captain Richard Fuller. Richard had attended West Point and after his graduation he had worked himself up to become Captain.

Then we seemed to move westward to a little farm house. Beside the road was the mailbox, and on it was printed, "Mr. and Mrs. John Clark." Mrs. Clark as you remember was Marilynn Lepley. She and John had just had another one of their spats and she threatened to go home to mother.

I then came to a little town and found Glenna Hill the owner of "Reinoehl Beauty Saloon." She seemed to be doing a very nice business.

On down the street of this same town I came to a law office of the D. A. You can really imagine my surprise to find the D. A. to be no other person than Dale Gramling. Dale was busy reading his script for his radio broadcast of "Mr. District Attorney."

Right next to the law office was the "General Store" propertied by Richard and Cleo Miller. Both were very busy waiting on customers.

On out into the country again I saw a farm house and I was informed that Mr. and Mrs. Harvey Carper lived there. Mrs. Carper used to be Rosella Knibulier, and playing around her feet were two little boys--one blond like his mother, and the other one dark like his father.

On toward Ashley we saw the new home of Mr. and Mrs. Vernon Bowers, their daughter, namesake of her mother, Louise, was busily playing in the front yard. She appeared to be very bashful and wouldn't come near the car.

As we moved westward we stopped at the city of Goshen. There we met our classmate Mildred Erwin, who is now Mrs. Dawson Gorrell. She seemed to be very happy.

Our next stop was Chicago. Here we met several of our

fellow classmates. Mr. and Mrs. George Myers. George is associated with big league baseball. His wife, Shirley is very prominent in society in the city.

At Evanston we meet Janette Reinoehl the wife of Harold Reinoehl, who is president of Northwestern University.

The scene changes and we are back again in our own community. Here we see a great paint store owned by a distinguished painter. Mr. Dean Wolf. He isn't married as yet but it is rumored that he and our classmate Roberta Smathers have been seeing a lot of each other and are engaged. But of course this isn't official and I want you to keep it under your hat.

A parsonage comes into view, the place looks familiar. Yes I believe the town is Hamilton. The parsonage is the home of Reverend Sharp, his son Earl and Earl's wife, Winifred are visiting them for this particular week end.

A massive stone building confronts us. On it is printed "Mercy Hospital." Inside the hospital we see a white clothed nurse hurrying down the hall. She looks familiar and as you have guessed it is Nurse Maxine Wood. She turns into a doorway and is very busy with her work.

Oh! Hollywood here we are! We see a movie star swamped by girls for his autographs. He is Richard Strawee. One of his admirers is no other than Agnes Meek who has at last met her destination. Poor Richard can see no way out of marrying her.

A news room attracts our attention and we see Toby Libey, featured news reporter and he is talking to another classmate, Verlin Roberts, who is known as Aunt Sophia to the readers of their newspaper. He gives advice for the care of babies. He is quite rushed with business but he doesn't mind since he meets such interesting people!

A schoolhouse comes into view. There is a new Home Ec. teacher, a graduate of Pleasant Lake High School and Purdue University, Miss Marguerite Anderson. Marietta Anstett is the Latin teacher at the same school.

This is something different and strange. It is a radio shop owned by Robert Kelley. Mr. Kelley has just invented a walking television set that will serve as a radio, movie, theater, and the hired man. It even does his milking for him.

What's this we see! Ah Yes! This is Mr. and Mrs. Roland Light. His wife was the former Betty Coon. They are reported to have patched up their high school romance by the way of television. (Can you imagine kissing a girl by television?) Brr-rr-rr-r-r-klank-klank! Something must have happened to the car! Shucks no! It's only the alarm ringing telling me to get up and get ready for school!

I F

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or, being lied about, don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise;

If you can dream--and not make dreams your master;
If you can think--and not make thoughts your aim,
If you can meet with Triumph and Disaster
And treat those two imposters just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools:

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings,
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them, "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with Kings--nor lose the common touch,
If neither foes nor loving friends can hurt you,
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the earth and everything that's in it,
And--which is more--you'll be a Man, my son!

SENIOR CLASS HISTORY

When we began our high school duties in September 1936, we were thirty-five in number. During the first part of the year Herbert Smith from Columbia City and Maxine Wood from Fremont came to join us, making a total of thirty-seven members and one of the largest classes ever enrolled in Pleasant Lake high school. Before the year ended two students, Wilbur Stahl and Mary Jane Thrush withdrew their names from our Roll.

For the sophomore year Maxine Brooks left to attend school at Scott Center and Donna Hart left us to attend school at Ashley. Henrietta and Thomas Swihart, Vivian Beatty, now Mrs. Floyd Day, and Berniece Baird, now Mrs. LeRoy McClellan withdrew their names from our Roll. Mildred Erwin and Glenna Hill both from Salem came to join us, making a total of thirty-one members. Later in the year Herbert Smith left us to attend school at Roanoke. Clyde Myers also left us to attend school at Metz, leaving twenty-nine members to finish the sophomore year.

And then came the year of the "Jolly Juniors." We dropped the names of Betty and Jane Lepley from our Roll. We were glad to add the name of Betty June Chadwick, who came from Tennessee, although she had to leave us in December to attend school at Tarpon Springs, Florida. We then added the name of Doris Hoffmeyer to our Roll, but she left us before the end of the year to attend Waterloo high school.

This year the juniors chose "Little Women" as their class play and it was greatly enjoyed by the whole community.

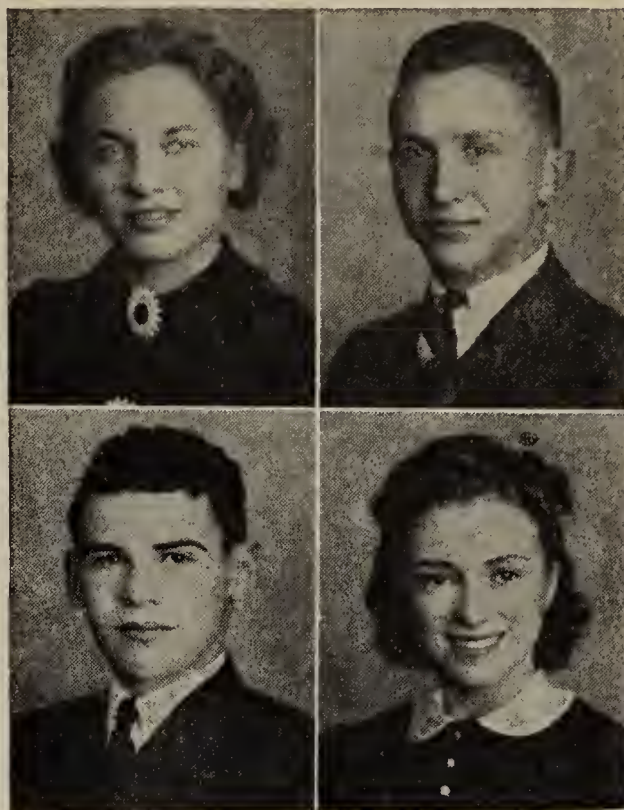

This year to be different we decided to take the seniors on a trip instead of a banquet. On April 15 we took them to Chicago where we visited the Marshall Field's Store, the Planetarium, the Aquarium, and the Field Museum. Everyone

had a very enjoyable time, but were tired and glad to get back home.

When we came back for our fourth and last year as seniors, to mount the twelfth round of the educational ladder, one member, Esther Sweeney, had left us to attend school at Arcola and this left twenty-six members to graduate. Only eleven members spent all twelve of their school years in Pleasant Lake School.

For the senior class play we chose "Meet the Folks" a three act comedy which was given on April 2.

This year the juniors took us on another trip, instead of having a banquet. This year we went to Detroit, Michigan where we visited Greenwich Village and other points of interest. This was also a very enjoyable trip and the seniors wish to thank the juniors for giving them a pleasant and lasting memory of an extremely good time during their last days in Pleasant Lake High School.

The Jolly Juniors! That's us! That is when Alfie is among us.

This year has been an exceedingly exciting one for the juniors. When school started we elected class officers; Dean Colbart, President; Robert (Alfy) Penick, Vice President and Mary Louise Lemmon Secretary and treasurer.

Our class play "Life Begins at Sixteen" was one of the highlights of the season. Miss Ronk spent a lot of valuable time directing it but we're almost convinced that it was worth it.

After counting the proceeds from our play, we began planning what we should do for the seniors. A trip to Detroit was the final decision. After raking and scraping, and stretching every dollar, we finally got them there on April 13. We visited Ford's in the forenoon, and at noon we ate and then went to Greenwich Village in the afternoon. Then at 5:30 a tired and weary bunch started home.

We have also had our share of parties. After we had the maximum of school parties we had private parties. We tried to live up to our name, The Jolly Juniors and if we have failed to do so it is not our fault.

We wish to thank Mr. Glasgow for being our class sponsor this year.

the band, orchestra, and mixed chorus and twenty members were on the Spartonian staff. We are very proud of the all the accomplishments of the members of our class and we are sure that they have built a firm foundation for their future life.

Since this year ends our work as high school students, we wish to thank the teachers for the help and kindness shown us during our school life at Pleasant Lake. We are sure we can repay them by being good American citizens.

THE SOPHOMORE CLASS

School opened in September with twenty students enrolled in the sophomore class. The following officers were elected: Ira Parks, President, Lyle Mortorff, Vice President, Clela Suter, Secretary and Treas. The class chose the motto of "Chop you own wood, and it will warm you twice" and blue and gold as their class colors.

The class held two class parties before Christmas and two after Christmas and at each party a very good time was had by the members attending.

The sophomores had the honor of having three of the baseball players in their class, namely: Lyle Mortorff, Wilbur and Willard Yockey.

They also had the honor of having two of the first team basketball players in their class: Wilbur and Willard Yockey.

A class basketball tourney was held this year and for the first game the sophomores drew the seniors whom they beat 25 to 38. In the final game the sophomores won over the juniors 32 to 35. The girls felt that the boys deserved credit so a party was given for them.

The sophomore class wished to thank Mr. Thompson for being their sponsor during the past year and for the help he has given to them.

At the beginning of the year there were 26 in our class. After a month of school Herbert Hoffmeyer left Pleasant Lake to attend school at Waterloo. The first of March Betty Kunce left us to go to Hamilton High School. The rest of the class of 24 finished their freshman year at Pleasant Lake.

During the first month of school the freshmen elected their class officers. They are as follows: President, Betty Deller; Vice-President, Mary Ellen Lyons; Secretary and Treas. Wandalee Swift. Mr. Bohr was chosen our class sponsor.

The freshmen have had three parties this year. The first being a movie party at the Brokaw Theater in Angola. The second, a Christmas party at the home of Wandalee Swift, and the third a tobaggan party at Pokagon State Park. We have planned to have one more party the last week of school.

I believe that none of us will ever forget our first year of high school while we, the so-called "Green Freshmen," were here at Pleasant Lake.

We have had a wonderful time together this year and we hope that it will continue so throughout our remaining three years of high school.

Think, wilt thou let it

Out of Eternity

At night, will return

Behold it aforetime

So soon it forever
From all eyes is hid.

THE FIGHTING SPARTANS

The Spartans, answering the call of Mr. Bohr, started the season with twenty-one ball players signing up. They were Richard Fuller, James Mieras, George Myers, Willard and Wilbur Yockey, Harvey Carper, Verlin Roberts, Richard Straw, Mack Van Auker, Robert Fuller, Dale Gramling, Junior Libey, Lyle Mortorff, James Thompson, Wilbur Wilson, Wayne and Stanley Carper, Robert Penick, Dean Colbart, John Clark, and Chester Bollinger.

These players worked very hard and by the time the season opened on Nov. 1 they were in tip-top shape. Their first opponent was Salem Center, whom they smothered by playing first class ball. Two of Pleasant Lake players gave promise of really being capable of playing ball.

However in the next game held at Brighton, they were defeated by a two point margin. Perhaps the loss of this game lay in the fact that Brighton was playing their first game in their new gym and this spurred them on to victory.

THE YELL LEADERS

The yell leaders this year, Clark Matson, Shirley Collins, and Marilyn Lepley, were greatly responsible for the good conduct of the crowd at the ball games. They worked unceasingly on new yells. They were also responsible for the buses of fans going to all the ball games. To make the capacity of yell leader a less thankless task the Athletic Association awarded each yell leader with an athletic letter this year.

Next year it will be necessary to chose new yell leaders as Shirley and Marilyn graduate this year.

At the first home game Spencerville won over the Spartans by a score of 49 to 34.

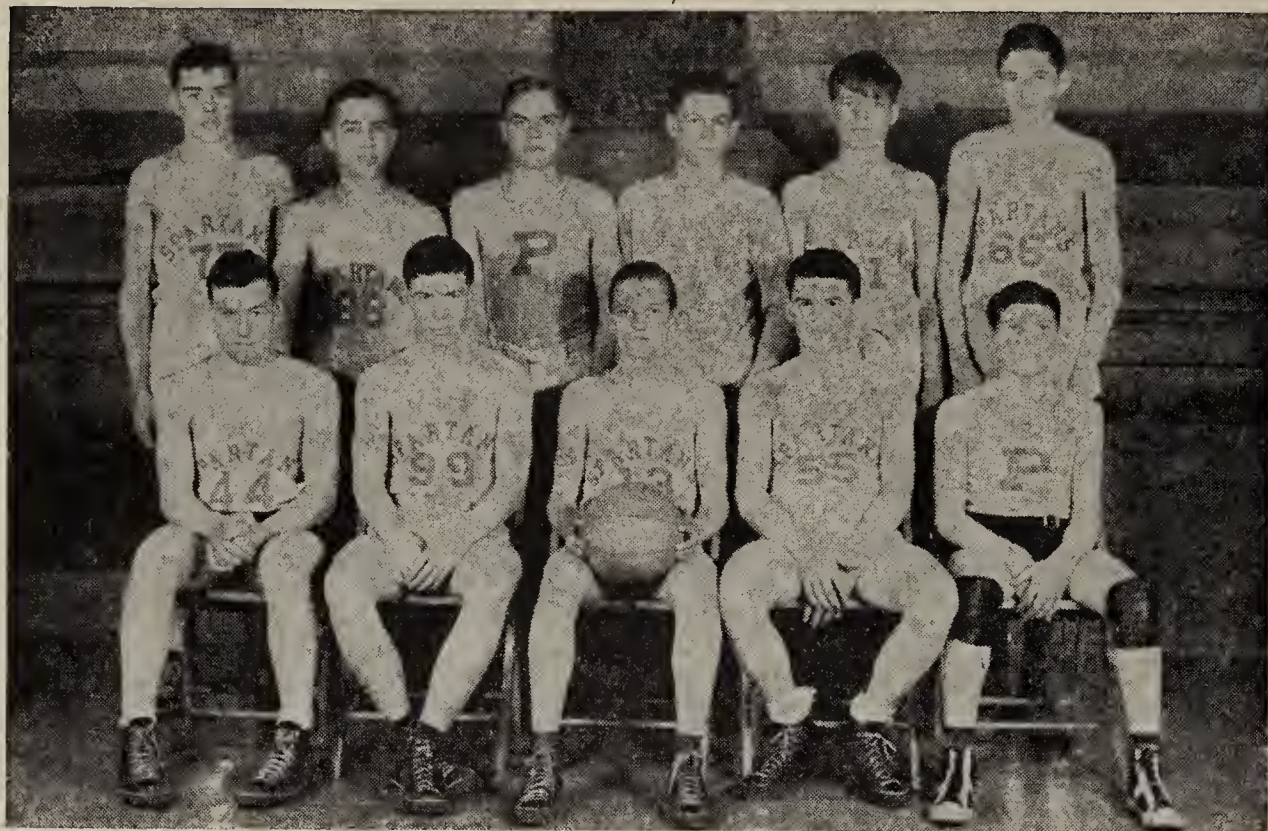

The Spartans started a winning streak that continued for the next three games, defeating Scott Center, Fremont, and Albion. Waterloo then defeated the Spartans for their third loss of the season. Again the Spartans continued on a three game winning spree, defeating Orland, Hamilton, and Salem.

Perhaps the best game of the whole season was played against Ashley. The final decission was in favor of Ashley 24 to 25. After the Ashley game the Spartans defeated a favored Edon team and then lost to Waterloo and Metz. St. Joe found that they were no match for the Spartans. The next two games proved to be disasterous for the Spartans because they found themselves beaten by Wolcottville and Concordia. The Spartans finished their regular season by winning over Hamilton and Orland. This made their record stand at 13 wins against 10 losses.

THE SECOND TEAM

The second team of Pleasant Lake had a very fine season this year winning thirteen and losing only five games. It is interesting to note that this second team is the first second team to have defeated Waterloo's fast stepping second team. With a few more games tucked under their belts they will be ready to take over the first team positions.

A class tourney was held this year with the juniors or seniors favored to win. In the draw the juniors drew the freshmen and the seniors the sophomores. The first game saw the sophomores winning over the seniors and the juniors defeating the freshmen.

In the final game the sophomores defeated the juniors in one of the best played games of the season by a score of 32 to 35. James Mieras was awarded the best sportsmanship prize.

THE BASEBALL TEAM

The sport activities of Pleasant Lake this year began with baseball on the first day of school. The team this year did not do so well as compared to last year's. They won only two games, tied one and lost six.

This year's team consisted of: George Myers, Harvey Carper, Junior Libey, Richard Straw, Robert Penick, Dean Colbart, Mack Van Auken, Stanley Carper, James Morse, Wilbur Yockey, Willard Yockey, Lyle Mortorff, James Thompson, Wilbur Wilson, and Bob Fuller.

Following is the results of the 1939-40 baseball season:

Pleasant Lake	5	Orland	13
"	8	Flint	7
"	0	Fremont	3
"	4	Waterloo	16
"	3	Salem	7

Pitcher	Junior Libey, Mack VanAuken
First Base	George Myers
Second Base	Robert Penick, Wilbur Wilson
Third Base	Dean Imhoff, Junior Libey, Mack VanAuken

THE SPARTANETTES

Starting the season with only one regular from last year's team, the Spartanettes this year were determined to play a winning brand of basketball. They opened the season with victories over Hudson and Scott Center. Then the first defeat came at the hands of Fremont. Waterloo and Orland were easy victims of the Spartanettes, but Ashley easily defeated their Pleasant Lake rivals to make the Spartanette record read four won and two lost for the first semester.

During the second semester a heavy schedule was played. However the team was often divided in such a manner that very seldom any one boy played over one game per week. As a result of such division the team was often not at full strength and a good many games were lost.

The record for the second semester gave the Spartanettes victories over Hamilton, Orland, and Fremont while suffering defeats at the hands of Butler, Metz, Hudson, Fremont, Ashley, Hamilton, Orland, and Salem twice.

Salem and Fremont were the only teams to defeat the Spartanettes twice during the season. Partial revenge for the double defeat by Fremont was obtained in the Jr. High Tourney when Fremont was upset by our boys by the score of 30 to 18.

The year's record of seven won and twelve lost should be improved upon in the 1940-41 basketball season.

"Go see if Weir has one" has become a common phrase around school. Probably no one has thought of the services rendered to the pupils in school by Weir Griffith, our congenial janitor. He is always ready to extend a helping hand to someone needing it, and when students do things that are not exactly right and cause him more work he usually does it with a smile.

Grow old along with me!
The best is yet to be,
The last of life,
For which the first was made;
Our times are in his hand
Who saith, "A whole I planned,
Youth shows but half;
Trust God; see all,
Nor be afraid!"

--Browning

He came to my desk with quivering lip,
The task undone.

"Dear teacher, I want a new leaf," he said
"I've spoiled this one."

In place of the leaf all stained and blotted
I gave him a new one, clean, unspotted,
And into his sad eyes smiled:
"Do better now, my child."

I went to the Throne with quivering heart,
The old year done.

"Dear Father, hast thou a new leaf for me?
I've spoiled this one."

He took the old leaf, stained and blotted,
And gave me a new one, clean, unspotted.
And into my sad heart smiled:
"Do better now, my child."

BAND AND ORCHESTRA

Most of the interest in music this year has been centered on the band. This year the band was newly organized into a marching band and it is through the efforts of Miss Ronk that this new group was organized. The band played at all the home basketball games, and showed much improvement over last year. Also at the Hamilton-Pleasant Lake ball game the marching band performed an exhibition in which they made various formations, one of which was the forming of a large P. L. All were dressed somewhat the same as possible, as the band has no uniforms as yet, but hope to be able to next year. For this year the girls dressed in dark skirts, and white blouses, while the boys wore dark pants and white shirts. This exhibition was so well performed and liked so well that they were requested to repeat, which they did at the Orland-Pleasant Lake game.

This year there were 29 in the band who played instruments in the regular band. In the marching band there were these plus the "Drum Major" and three "Baton Twirlers." The drum major was Mary Ellen Lyons and the three twirlers were Mary Kelley, Shirley Gramling, and Dorothy Robinson.

The orchestra, although it has been a minor issue this year, has survived through the year and perhaps will be built up much better next year. There has been 27 in the orchestra this year. The orchestra played at both the junior and senior class plays.

THE BOOKKEEPING TEAM

At the time the pictures were taken for the Bitter-Sweet the bookkeeping team consisted of Robert Penick, Beatrice Meek, Beverly Grogg, and Stanley Carper. Due to the outcome of a series of tests and to extra hours spent in working on bookkeeping Ruth Tinstman replaced Robert Penick on the team for the contests.

The State Corner Commercial contest was held at Waterloo this year and the bookkeeping team placed third. Beatrice Meek placed fourth; Ruth Tinstman, sixth; and Beverly Grogg placed ninth.

On April the sixth the bookkeeping team entered the State contest at Danville. Ruth, Beatrice, and Beverly represented the class. Stanley Carper was entered in the contest as an individual.

THE TYPING TEAM

Once again an individual proved to be a dark horse in the eliminations for the typing team. Those in the picture are Shirley Collins, Glenna Hill, Winifred Fee, and Marguerite Anderson. Richard Fuller replaced Marguerite Anderson as the fourth member of the typing team in the contests.

On March 12 the typing team held a practice contest with Salem. The results showed Pleasant Lake with a total of 112 to Salem's 58. Winifred Fee was the highest individual with a new word per minute of 38.36. She was closely followed by Glenna Hill with an average speed of 38.08.

On March 22 the typing team entered the State Corner Commercial Contest held at Waterloo. The team placed second in the contest. Winifred Fee, as an individual, placed fourth, Glenna Hill fifth, and Shirley Collins placed seventh.

This team also entered the state contest at Danville on April 6th.

The home Economics Club was organized this year by Mrs. Gilbert for the purpose of bringing the girls taking Home Economics closer together and also to increase the interest in Home Economics work. At the organization meeting Jean Anderson was elected president of the group; Ella Ford was elected vice-president; Betty Jackson was elected secretary and Winifred Lepley, Treas.

The club sponsored two trips to Fort Wayne, gave a Christmas party and entertained its mothers with a bunco party. The club is self-supporting.

The Spartonian has completed its fourth year as a weekly publication of Pleasant Lake High School. At the beginning of the year an award was received from the National Duplicated Paper Association for being one of the outstanding high school mimeographed papers in the United States.

Once again this year the Spartonian sent delegates to the annual convention at Danville, Indiana. The delegates were Winifred Fee, Ruth Tinstman, and Beverly Grogg. Their expenses were paid by the Spartonian. A very good report was given by those attending the convention.

Another project of the Spartonian this year was the placing of mirrors in the rest rooms in the upper hall of the school house. They are inscribed with the name of the Spartonian and the date of the presentation.

It will not be known until June whether the Spartonian was ranked outstanding again this year.

NINETTE AND SEXTETTE

The ninette and the sextette have been better this year than ever before. Miss Ronk, the music instructor, has worked very hard, and the members of the group have cooperated with her very well.

Mrs. Hall and Miss Ronk had a difficult time deciding who would sing in the ninette and sextette, but out of a clear sky they announced that there would be a try-out to see what the students could do on a "pinch." For try-outs, each person had to read music that was entirely new to him. After much consideration, the following people were chosen to sing in this small group: Sopranos, Mary Louise Lemmon, Gienna Hill, and Thelma Cook; seconds, Marilynn Lepley, Janette Matson, and Roberta Smathers; altos, Shirley Collins, Louise Imhoff, and Clela Suter; tenor, Max Deetz, Bob Fuller, and John Clark; bass, Richard Fuller and Mack Van Auken. Winifred Fee was selected as pianist.

The group has sung at quite a number of places, most of which were churches. Among these were the Hudson Methodist Church, the Hudson U. B. Church; the Pleasant Lake Baptist Church, the Nevada Mills Church, the Congregational Church at Angola, and at Missionary meetings in the homes of various people of Pleasant Lake.

The songs the group has sung are: "Sylvia", "A Celtic Lullaby", "Guide Thou Our Steps", "Let All On Earth Their Voices Raise", "Every Time I feel the Spirit", "I opened My Mouth to the Lord", "Trees", "Calm as the Night", "God is a Spirit", "Londonerry Air", "Lift Thine Eyes", "Dona Nobis Pacem", "Thanks Be to God", "Now Thank We all Our God", "Thanksgiving Prayer", "Finlandia", and "Water Boy."

This year for the first time the ninette has had costumes alike. All the girls in the ninette and Winifred and Miss Ronk had dresses of black velveteen with white satin collars and cuffs. These dresses gave them a very pleasing and distinguished appearance.

THE LATIN TEAM

The Second Year Latin Team this year was composed of Marguerite Anderson, Mary Louise Lemmon, and Phyllis Zimmer as alternate. The class was handicapped during the first semester because of the junior play but by the time the contest came around in the latter part of February they had almost caught up in their work. The County Contest was held at Fremont. Fremont took first place with Pleasant Lake coming in second. In individual placing Marguerite Anderson received third and Mary Louise Lemmon fourth. Next year Latin I will be taught and it is hoped that the students can increase their standing in the contest next year.

THE MIXED CHORUS

The Mixed Chorus meets every Wednesday morning and the members are as follows: Donna Mae Anstett, Jean Anderson, Betty Deller, Clara Bolinger, Beverly Cook, Thelma Cook, Betty Coon, Glenna Hill, Wilma Lockhart, Louise Lemmon, Ruth Masten, Beatrice Meck, Janette Matson, Wanda Lee Swift; Ella Ford, Betty Thrush, Violet White, Maxine Enfield, Marietta Anstett, Shirley Collins, Mildred Erwin, Winifred Fee, Eleanor Favourite, Louise Imhoff, Betty Jane Kunce, Mary Elle Lyons, Marilyn Lepley, Winifred Lepley, Roberta Smathers, Clela Suter, Irene Wilcox, Max Deetz, Richard Fuller, Robert Fuller, Mack Van Auken, James Thompson, Richard Miller, and John Clark.

Although the Mixed Chorus has made no public appearance this year it has worked hard on several songs and several of its members have either appeared in public as a group or as individual performers.

The group wishes to thank Miss Ronk for her fine cooperation with the Mixed Chorus and that next year several fine performances may be given.

G I R L ' S 4 - H C L U B

Last summer the girl's 4-H club enrolled with around thirty-five members. The members were divided into three clubs with Marilyn Lepley, Marguerite Anderson, and Phyllis Zimmer as Junior Leaders and with Ruth Masten as assistant. These three clubs were all fortunate enough to receive seals for their charters.

From our school Marilyn Lepley was awarded a trip to the Junior Leadership camp held at Indianapolis in June; Marguerite Anderson was awarded a trip to the 4-H round-up at Purdue University, and Phyllis Zimmer received a free trip to the Club Camp held at Oliver Lake in August.

Pleasant Lake carried off many awards in the county exhibit including two grand champions out of five. Jean Anderson received grand champion in baking and was awarded a set of pyrex baking dishes and Marguerite Anderson received grand champion in canning and received a pressure cooker. Phyllis Zimmer received a free trip to the Junior Leadership Camp this summer.

Out of the group of thirty-five members only four failed to complete their work and we think this is a very good record and hope we can continue this record this summer.

This winter the 4-H Club organized and elected Marguerite Anderson, President; Jane Ann Libey, Vice President; and Marilyn Lepley, Secretary. They met once a month and the meetings were enjoyed very much.

The 4-H group wishes to express their appreciation to both Mrs. Husted and Mrs. Gilbert for their fine teaching and cooperation they have shown to the girls during the past summer.

Muck Crop Judging Team

A judging team was picked from this school to participate in the 10th Annual Indiana Muck Crop Show on Nov. 7-11.

To find out who would be on the team a local elimination contest was staged here in the school. The team consisted of Harvey Carper, Roland Light, and Dean Colbart. On Nov. 9 the team and Mr. Glasgow journeyed to Nappanee. In the contest the boys from Pleasant Lake ranked third, with Garrett first and Waterloo second.

4-H ACTIVITIES

A county contest was held for picking a county team in livestock judging. After the team won the county they judged at Kendallville where the right to enter the state Fair judging contest at Indianapolis was won.

During the week of August 15 a 4-H Club Camp was held at Oliver Lake. There were about 300 club members there from Allen, DeKalb and Steuben Counties.

The program for the week was well planned by the different club leaders. Those attending from Pleasant Lake were: Bob Fuller, George Myers, John Libey, Max Ferris, Robert Ferris, and Max Julian. George Myers was awarded a free trip to the club camp.

On August 1 the boys and girls had a picnic at Pokagon State Park. It was a pot luck with everybody bringing something. We went swimming in the afternoon and everybody played games and had a good time.

The Fat Lamb show was held in Fort Wayne at the Union Stockyards on July 6. Pleasant Lake was represented by two pens of lambs of three. Clyde Powers placed seventh and Everett Lyons placed eleventh.

Pleasant Lake is quite proud of its 4-H club groups and quite proud of their achievements. No other school in the county in the boys division made quite as great a progress as did the boys from Pleasant Lake and no other pupils from other schools received as high honors as received by those from Pleasant Lake. John Clark was awarded a prize given by the B. and O. Railroad for being the best muck crop farmer in this section of the state. George Myers was a gold medal receiver for his five acres of corn. Wayne McAlpin also received this award. James Wood was awarded a gold medal for his onions and John Clark was awarded a gold medal for his potatoes. These boys have demonstrated to the public what can actually be done on the farm if modern methods and a little hard work are used.

HOME ECONOMICS DEPARTMENT

The Home Economics Department is one of the busiest departments of the school. No matter what time of the day you visit the class you can always find them hard at work.

This year new tables were provided for the sewing room. Next year the department wishes to further their remodeling and decorating and to make the department really shine.

As projects this year some of the girls have made dresses both for themselves and their sisters and as a project in Home Nursing they have constructed model pieces of furniture that could be used in a sick room.

Much of the success of the Home Economics Department this year is due to the untiring efforts of Mrs. Gilbert. The girls wish to thank her for all that she has done for them this year and hope that they will have the pleasure of working with her again next year.

They set the slave free,
Striking off his chains. . . .
Then he was as much a slave as ever.

He was still chained to servility,
He was still manacled to indolence and sloth,
He was still bound by fear and superstition,
By ignorance, suspicion, and savagery. . .
His slavery was not in the chains,
But in himself

They can only set free men free. . . .
And there is no need of that;
Free men set themselves free!

DUES 10¢

BITTER

If you are tempted to reveal
A tale someone to you has told
About another, make it pass before you
speak

Three gates of gold.
Three narrow gates;
First "Is it true?" Then "Is it need-
ful?"

In you mind give true answers.
And the rest is last and narrowest
"Is it kind?"
And if to reach your lips at last
It passes through those gateways three,
Then you may tell it, nor fear
What the result may be.

His story is briefly told. After several days of thought he discovered a sure way to make money, and, like other men, he was in a hurry to try it out. He made a haste to insert an advertisement something like the following in several country weeklies:

"Sure way to kill potato bugs; send twenty, two cent stamps to X Y Z,-----, for a receipt that cannot fail."

Then he hired a dray to bring his mail from the post office, and had 10,000 of his receipts made. Inside of two weeks something like 6,00 or 7,00 farmers had contributed twenty, two-cent stamps each for the printed receipt. Then several hundred of them bought clubs and a railroad ticket and started out to interview the advertiser. At his office they were informed that he had left to attend some business in Europe and didn't expect to come back. All he had left was a package of 3,000 or 4,000 slips of paper, on which was printed the following receipt, "Put your bugs on a shingle. Then hit it with another shingle."

"You can take it as an elementary conception that when an article is sold, it goes to the buyer," said Mr. Thompson in bookkeeping class.

"With the exception of coal," chirped the bright Ruth Tinstman.

"And why coal?" asked Mr. Thompson

"When that's bought, it goes to the cellar." said Ruth.

Lora Lee Blomeke had asked so many questions that finally she had worn out the patience of Mrs. Blomeke and was packed off to bed.

Later her mother repented. She tiptoed upstairs, knelt beside her bed, and told her she was sorry.

"Now dear," she said, "if you want to ask one more question before you go to sleep, ask it now, and I'll try to answer."

Lora Lee thought for a moment, then said: "Mother how far can a cat spit?"

It may be we shall touch the Happy Isles,
And see the great Achilles, whom we knew.
Tho' much is taken, much abides; and tho'
We are not now that strength which in old days
Moved earth and heaven; that which we are, we are;
One equal temper of heroic hearts,
Made weak by time and fate, but strong in will
To strive, to seek, to find, and not to yield.

--Alfred Tennyson
